

Dear Year 5 and Year 6,

Children as young as 8 are better at using the Internet than their parents; skills include playing games online, making new friends in chat rooms and even knowing the basics of hacking! The Internet can take anyone – anywhere and everywhere! Following our recent E-Safety afternoon with the ‘2 Johns’, we have produced this short guide for parents, explaining the different apps that children in Year 5/6 might be using.

Later Years Teachers

SOCIAL				MUSIC		GAMES		
Whatsapp	YouTube	Snapchat	Instagram	Musical.ly	Live.ly	Pokemon Go	RoBlox

<b>What is it?</b> WhatsApp uses the internet to send messages, images, audio or video.	<b>What is it?</b> YouTube makes it easy to watch online videos. You can even create and upload your own videos to share with others.	<b>What is it?</b> Snapchat lets you share photos, videos, text and drawings that expire and automatically delete themselves after a set time, ranging from a few seconds up to 24 hours.	<b>What is it?</b> Instagram allows users to share pictures and videos either publicly or privately.	<b>What is it?</b> Musical.ly is a social media platform for creating, sharing and discovering short music videos.	<b>What is it?</b> Live.ly is the live version of Musical.ly.	<b>What is it?</b> Pokemon Go is a free, location-based roaming game. Players use a mobile device's GPS ability to locate, capture, battle, and train virtual creatures, called Pokémon.	<b>What is it?</b> Roblox is a game-creation site where users design and upload their own games, as well as play other games in a multiplayer environment. Many games include weapons.
