Dear Parents and Carers

E-safety Parent Evening

We would like to invite you to an informative evening about e-safety on **Thursday 19th January 2017 at 7pm**. This event is for parents of both schools but will take place at **Queen Edith**.

We all know how to explain to our children the dangers of crossing roads or wandering off alone. However, ensuring that our children stay safe online is much more difficult because of the speed at which technology changes. The Internet presents us with dangers that we often do not fully understand and cannot easily predict.

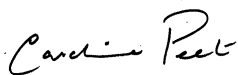

Please join us to hear a free talk from two experts in online safety known as 'The Two Johns'. They will inform us about the risks associated with our children's use of the Internet and social media, and help us to stay one step ahead!

During the school day, 'the Two Johns' will also lead workshops for children in Years 3 to 6 at both schools, to help them better understand how to keep themselves safe online. Children from Queen Emma will walk to Queen Edith to take part in these sessions. These sessions have been rated 'outstanding' by Ofsted and should be well-presented and extremely helpful.

We would strongly encourage all parents to attend the evening session if at all possible.

Please return the slip below to help us plan the event.

Yours faithfully,

Caroline Peet
