

Queen Edith Primary School  
Year 3  
Spring A

**French:**  
Les Instruments  
(Instruments)

**Geography:**  
We will be learning about what a settlement is and the key features of this. We will also create maps using a key.

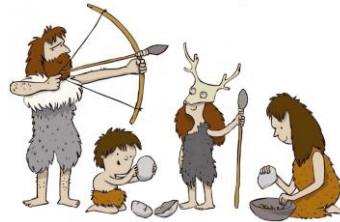

**Art:**  
In Art, we will be focusing on drawing. We will explore cave painting and experimenting with various media.

**RE:**  
Hinduism - How does being a Hindu impact on a child's life?

**Science:**  
We will be learning all about animals, humans and skeletons. We will look closely at skeletons and the purpose of these. We will also explain the purpose of different bone and muscles.

**History:**  
We will be exploring pre-historic time periods. We will discover the Stone Age and think carefully about the different periods this is split into. We think about what it was like to live in the Stone Age.

## Stone Age to Iron Age

**English:**  
In English we will continue to develop our writing skills. We will be looking at the story *The Stone Age Boy*. Exploring the text to start with and then continuing the narrative. We will use our Science learning to support our English by creating a Non-Chronological report about the human body. We will also use time adverbials and imperative verbs to create instructions.

Please continue to read daily at home and practice spellings.

**PSHCE:**  
*Diversity and Communities.*  
We will be looking at our identity and how different identities are important.

**Music:**  
Compose and sing!

**PE:**  
In PE we will be looking at Orienteering and Fitness. PE lessons will be Wednesday and Thursday.

**Computing:**  
We will be using Purplemash to look at Branching Databases and Graphing

**Maths:**  
In Maths, we are continuing our learning on multiplication and division. We will begin to look at how to multiply one digit numbers with 2 digit numbers. We will also explore dividing and methods to support this. We will then move on to exploring length and perimeter.

We will continue to have weekly times tables tests and also we be sending home maths homework weekly.

Which challenges will you choose to complete?

<p>Research a Pre-Historic settlement and create a short presentation or poster about it.</p>	<p>Imagine you have woken up in a cave... write a story about what happens next.</p>	<p>Can you create your own song?</p>
<p>Research an influential, inspiring person. Create a fact file about this person. They can be a historical person or someone currently in the public eye.</p>	<p>How can you learn your times tables? Can you come up with a creative way?</p>	<p>Carry out a questionnaire about peoples favourite food. Can you then create a graph on Purplemash?</p>
<p>Create a settlement. This could be a fictional one or a real one. Make sure there is a key.</p>	<p>Create a poster about why exercise and fitness is important</p>	<p>Create a Stone Age Quiz.</p>

- Children are expected to complete their weekly reading, spelling and maths homework.
- The optional challenges above can be completed at any time this half term. If you bring them into school, you will be able to share them with the class and get housepoints!
- Of course, if you have another brilliant idea for a challenge relating to our topic, you can do it instead.
